

The Bastet Chair

Introducing the newest addition to our Bastet Collection, The Bastet Chair. Architectural in its design this chair is both comfortable and structured. The faceted radius is built with grain matched detailing that captures the upholstered cushion providing a deco-inspired silhouette.

Upholstery options are the customer's own material and require only a single yard of fabric. Bespoke sizing and finishes available upon request.

Standard Dimensions starting at

L18" x D18" x H32"
