# Lassen Bench

Inspired by the magnificent glacial walls of Lassen National Park, the Lassen Bench frame stands firmly on two beautiful slabs of oak, ash or walnut. The signature handwoven seat pierces through the slab legs which are detailed with lap and peg joinery. Combining strength and intricacy, the Lassen Bench is the perfect accent to a lobby, entryway, dining room, living room, or bedroom. Available for commercial and residential use. Please refer to the Materials Catalogue for all available options.
