

Steelheart Bar Stool

Steelheart Bar Stool

This extremely comfortable, slim yet strong seat is perfect to sidle up to any bar or dining counter. The powder coated steel frame draws a clean and minimal silhouette and the intricate seat is expertly crafted in our signature hand woven style. Customizable in a wide spectrum of powder coat and cord colors, the Steelheart Bar Stool is adaptable to any color palette. Woven from cotton cord for indoor use or nylon cord for outdoor use, the intricate patterning is durable and unique—enhancing your bespoke dining experience at home or at the cocktail bar. Available with or without backs, the Steelheart Bar Stool is suitable for commercial or residential projects. Please refer to the Materials Catalogue for all available options.
