

# Steelheart Dining Chair

# Steelheart Dining Chair

Incredibly versatile, the Steelheart Dining Chair will draw your attention with its striking slim silhouette and intricate woven detail. The hand woven seat is expertly crafted in our signature style with either cotton cord or vibrant nylon cord and offered in over 50 unique patterns. Infinitely customizable in a wide spectrum of powder coat and cord colors, the Steelheart Dining Chair can match any color palette. The extremely comfortable seat combined with the intricate patterning creates a durable and truly bespoke dining experience. The steelheart dining chair is ideal for either commercial or residential projects. Please refer to the Materials Catalogue for all available options.
